THE HUNTRIDGE THEATER

477-0242, 1208 E. Charleston at the corner of Maryland Parkway. This Las Vegas landmark is a sort of light in the darkness for a town lacking in all-ages entertainment besides Nintendo and sleep. One especially promising development is their Local Music Blitz nights, featuring local bands and artists offering their stuff to a surprisingly demanding audience of hyper youths who aren't afraid to let the bands know what they think. Keep the Local Music Blitz's coming, and the kids'll be happy. *Playing:* Saturday, Gospel Show. Wednesday, Danzig and Genitorturers. *Upcoming:* Tony Browder, 7 p.m. August 23, author, cultural historian, artist and educational consultant. August 30, PMS, Requiem, Immortal Remains. September 12, Bad Religion and Green Day.
